

CHAPEL HAPPENINGS

FIRST CHAPEL "A LA CART" SERVICE A SUCCESS

A beautiful day saw 135 people attend the first outdoor service in their golf carts and cars, eager to see what it was all about. (Social distancing before, during and after the service is mandatory and will be strictly enforced for our own protection.)

Chaplain Carr on his guitar, and organist Tim Thompson on his keyboard, played background for the hymns, and attendees sang along. Gary's sermon was titled, "The Gospel of "With and Without". All in all, it was a great success; this type of service will likely continue throughout the season.

Shawl ministry, choir rehearsals, and Fun Friday have all been suspended until further notice, and the library has been closed.

Ten minute devotionals will be held each Wednesday at 10 am outdoors in front of the chapel; remain in your golf carts or cars, same cart spacing as Sundays. Option: listen in on 1100 AM

House of Hope is in great need of non-perishable food, household items and dog food. Please leave any donated items in the box located in front of the chapel under the portico. Thank you...

Come to the outdoor Chapel "a la Cart" services Sunday mornings at 9:30 am in your golf cart or car.

You can also access the service on your car radio up to ¼ mile away- 1100 AM on your radio dial.

With God's blessings and attention to health protocols, this too shall pass. Please call or email the chapel if you need any help:
